Summary

Software Engineering undergraduate currently pursuing a BSc (Hons) in Software Engineering at Kingston University London. I have completed a Higher National Diploma in Software Engineering and a Diploma in Information Technology. I know programming, web development, database management, software development, and basic cloud computing concepts. Through academic and personal projects, I am gaining practical experience in developing software applications using different technologies. I am a motivated and fast learner seeking an opportunity to gain industry experience, develop my technical knowledge, and contribute to a professional technology environment.

Technical Skills

Web Development

- HTML
- CSS
- JavaScript
- PHPNode.js
- Express.js

Mobile Application Development

- React Native
- Expo

Tools and Technologies

- Visual Studio
- Visual Studio Code
- GitHub
- XAMPP
- phpMyAdmin
- MongoDB Atlas
- Figma
- Adobe Illustrator
- Adobe XD

Database

- MySQL
- MongoDB

Software Engineering

- Software Development Life Cycle (SDLC)
- Requirements Analysis
- System Analysis and Design
- Database Design
- Software Testing and Debugging

Additional Knowledge

- Basic Computer Networking Concepts
- Basic Cloud Computing Concepts
- Data Management
- Data Analysis
- Troubleshooting and Problem Solving

Education

BSc (Hons) Software Engineering <i>Kingston University London, United Kingdom (ESU)</i>	02/2026 – 2027
Higher National Diploma in Software Engineering , <i>Esoft Metro Campus</i>	2024 – 2025
